CONNECTing Faculty: Writing Project

- Hosted 3rd annual Writing Conference (May 30 at Cape Cod Community College)
 - This year included secondary education teachers
- Launched online writing resource center on CONNECT Website

CONNECTing Faculty: Math Project

- Collected departmental learning outcomes for each institution
- Progress in easing transferability:
 - Updated advising system to accommodate new core curriculum at Bridgewater State College
 - Exploring development of finite math course for UMass Dartmouth-bound students
 - Developing community college elementary and early childhood math courses to mirror education courses at Bridgewater State College

CONNECTing Faculty: Mini Grants

- ESL Group – shared placement assessments and revised testing methods
- Biology Group – discussed course content and transferability of introductory courses
- Service Learning Group – reviewed models of successful student leadership courses and worked to ensure transferability of courses

CONNECTing Faculty: Arts & Culture

- Identified Goals:
 - Develop a joint brochure for marketing all campus art galleries
 - Create a joint theatre and dance calendar
 - Promote student trips to each campus' major events/programs

CONNECT: Serving Business Partners

- Working with Meditech to develop a model for business collaboration
 - Organizing regional sessions to assist in meeting employment needs for new Fall River facility
- CONNECT Screening Center now online and available to all business partners

CONNECT/BHE Nursing Initiative

- Developing computer-based system to facilitate efficient placement of nursing students
- June 27, 2007 scheduled launch of Southeast database for clinical placements
- Creation of “shared documents” such as
 - Student Clinical Passports
 - Faculty Clinical Passports
 - Online Student Orientation Programs

CONNECT Publications in Progress

- Summer printing of *CONNECT Career Network Flyer*
- Summer electronic distribution of first *CONNECT Chronicle*
- Fall printing of *CONNECT Strategic Priorities*
